

Come join us for an evening with FAASafety Team Representative, Michael Lessard

## Winter Operations

Why park that airplane in a lonely hangar all winter? Winter offers some of the best conditions and most scenic flying days, but it also requires a few additional steps and considerations to make the best of it. Come on in and learn how you can make your winter flying safe and enjoyable!

This event will be co-sponsored by the Portland ME FSDO, WINGsReality LLC, and the University Flying Club. There will be lots of great homemade refreshments, door prizes and socializing! So come out and be part of this fun and interesting evening!

**Wednesday, 26 Jan, 7:00 PM, at the Donald P. Corbett Building →  
Room 107 → University of Maine → Orono**
